## AUTHOR TALK + Q&A

1 hour 15 mins

£325

Tamsin's author talks are fun, engaging and interactive, and will inspire your students to pursue their dreams...and read more books! Tamsin discusses the inspiration behind her award-winning books, her journey to becoming an author (which began at age eight!) as well as speaking honestly about the themes and issues affecting young people today: cyberbullying, mental health, body image, smart phones and the double-edged power of social media. Tamsin shares her best writing tips, and your students will get to hear some of Tamsin's hilarious stories (and failures!) from her days as an aspiring writer.

Students will leave feeling inspired, empowered and best of all – keen to get reading and writing. Tamsin's talk is followed by a Q&A where students can ask their burning questions, and a book signing if requested. Tamsin will set a writing challenge for your students upon request. Tamsin is happy to speak to large audiences up to around 300 students. Price includes a signed set of books.
